Dear Ali Akbar,

On behalf of the Management Committee of the ILAE, we would like to invite you to join the ILAE team for the term 2017-2021, specifically, as a member of the ***Psychogenic Non-Epileptic Seizures Task Force*** of the ***Commission on Psychiatry***. The Task Force is Chaired by Dr Markus Reuber; the Commission is Chaired by Dr Mike Kerr.

The overall goal of this new group will be to examine this topic and recommend how the League can help move forward, with a global or international perspective. In the course of this term we expect this Task Force to identify clear goals and the steps that the League can take to realize those goals.

From experience, we know that the commitment and effort required as a member of an ILAE Task Force is highly rewarding due to the interaction with International colleagues and experts in the field, and because of the valuable and impactful outputs of the Commission.

Please let us know at your earliest convenience whether you are able to accept this invitation.

Sincerely,

A handwritten signature in black ink that reads "S. Wiebe".
