

CURRICULUM VITAE

Masoume Nazeri,MD

Board certified Neurologist

Shiraz University of Medical Sciences

Shiraz Iran

Personal Information

Full Name: Masoume Nazeri

Birth date: 25/03/1980

Address: Department of Neurology, Nemazee Hospital, Shiraz University of Medical Sciences, Shiraz, Iran.

Telephone: 00987136121065, 0989123930421

Fax: 00987136121065

E-mail: Nazerimasoumet@gmail.com

Nazerima@sums.ac.ir

Educational and career Background

University

2007 - 2011 Neurology Resident, Shiraz University of Medical Sciences

1998- 2006 Medical student, Tehran University of Medical Sciences

High School

1994-1998 high school

Post Graduate Training:

Educational Course of Methods of articles writing for Journals, 2012

Educational Course of Educational Planning and Methods of Research, 2012

Educational course of Methods of Research for university professors, 2012

Educational Course of EBM (Evidence Base Medicine), 2012

Educational Course of PBL, 2012

Educational Course of Scientific Writing, 2012

Fellowship of Medical Education, Shiraz University of Medical Sciences, 2017

Fellowship of Research level one, Shiraz University of Medical Sciences, 2015

Fellowship of Research level two, Shiraz University of Medical Sciences, 2015

Work Experience:

Since February 2012 Assistant professor of Neurology, Shiraz University of Medical Sciences

September 2011-Present Radiologist, staff in radiology department, Shiraz University of Medical Sciences

Qualifications

Work experiences with neurological investigatory tools like electroencephalography (EEG)

Nerve conduction study (NCV) and Electromyography (EMG)

Evoked potentials (EPs)

Transcranial Doppler Sonography(TCD)

Main Duties:

- Teaches relevant courses to under graduate students, Residents
- Prepare, administer and mark examinations, Provide advises to students
- Research activities and act as a referee of scientific publications

Congress:

Neurology & Clinical Electrophysiology of Iran 2012

Neurology & Clinical Electrophysiology of Iran 2014

Neurology & Clinical Electrophysiology of Iran 2015

Medical journalism 2012

ECTRIMS-ACTRIMS Paris 2017

MENACTRIMS Dubai 2017

New treatment in epilepsy2012

International Epilepsy congress2016

International Epilepsy congress2017

International Multiple sclerosis congress2015

International Multiple sclerosis congress2016

International Multiple sclerosis congress2017

Congress of Neurology & Clinical Electrophysiology of Iran2016

International Stroke congress 2015

Sleep disorder 2014

Neuropsychopharmacology2014

Congress of Neurology & Clinical Electrophysiology of Iran 2017

New treatment and diagnosis in stroke2016

Multiple sclerosis 2015

Management of acute stroke 2015

Multiple sclerosis 2015

Sleep disorder 2016

Neuroradiology 2011
