

# CURRICULUM VITAE

DR abbas rahimi jaberi

**Neurologist , Assistant professor - Shiraz University of Medical Sciences - shiraz, Iran**

**June 2020**

## PERSONAL DETAILS

Name: abbas rahimi jaberi

Nationality: Persian

Sex: male

Marital status: Married

Address: neurology department, Nemazee Hospital, Shiraz, Iran

Contact details: E-mail: rahimeia @sums.com

Tell: +989173043780

## QUALIFICATIONS

<b>Dates</b>	<b>Description of qualification</b>	<b>Place obtained</b>
<b>1998-2005</b>	MD(general physician )	Fasa university of medical science
<b>2006-2010</b>	Neurology residency	Shiraz university of medical science

## MEDICAL EXPERIENCE / APPOINTMENTS

### Current appointment:

Date	Duration	Position	Institute
20018	2 years	Head of Neurology department	shiraz university of medical science

### Previous experience/appointments:

Date	Duration	Position	Institute
2010 - now	<b>10 years</b>	Faculty member of neurology	shiraz university of medical science
2006-2010	<b>4 years</b>	Neurology residency	Shiraz university of medical science, Shiraz, Iran

## **PROFESSIONAL INTERESTS**

- **neurologist**
- Teaching/Academics
- Research

## **Neurology experience**

*I received my graduate (MD) and postgraduate (MD neurology speciality ) medical training at Medical university in Iran. The Institute is a tertiary medical care center for the neurology , with inpatient bed strength of over 1,700. During my residency in neurology I underwent intensive training in all major sub-specialties of the subject including stroke, MS, neuromuscular disorders, headache, movement disorders ,sleep disorders and etc.. also radiology Techniques and electrophysiology and pediatric neurology , etc .. and graduated with first rank in Iran in 2010*

I joined shiraz school of medicine after my residency and worked as faculty member of neurology group. During this time. I was also have been worked as head of neurology department since 2018 till now

## **TEACHING EXPERIENCE**

I worked as trainer as medical student in internship course and resident teaching from 2010 till now

In my 10 years at Medical Colleges and Hospitals I conducted many lectures, tutorials, small group discussions and practical classes for neurology residents and medical students

## MD thesis :

- 1-Comparison between IL- 33 serum level and its polymorphism in MS patients and control group 2012
- 2- Comparison between IL- 25 serum level in MS patients and control group and its association with disease severity 2012
- 3- Comparison between IL- 35 serum level in MS patients and control group and its association with disease severity 2013
- 4- efficacy of treadmill training in Parkinson patients 2013
- 5- survey of prevalence of ANA antibodies and its variants in MG patients 2014
- 6- efficacy of rituximab in NMO patients 2015
- 7- investigation of serum single nucleotide polymorphism of LL-27 gene in MS patients and its association with disease severity 2016
- 8- comparison between efficacy of open and thoracoscopic thymectomy in MG patients on disease outcome 2016
- 9- effect of transcranial direct current stimulation on cognitive dysfunction in MS patients 2019
- 10 – effect of Pyridostigmine on dysphagia of stroke patients 2019

## PUBLICATIONS

- 1- **Post-operative quadriplegia as the initial manifestation of tumefactive multiple sclerosis** Indian Journal of Critical Care Medicine June 2015
- 2- **Proton Magnetic Resonance Spectroscopy to Detect Correlations between Clinical Symptoms and Brain Metabolite Levels in Patients with Tension-type Headache** *J Biomed Phys Eng* 2020
- 3- **The effect of trigger point management by positional release therapy on tension type headache** *NeuroRehabilitation* (2012)
- 4- **Patent foramen ovale and stroke: Does presence of a migraine headache or any character of patent foramen ovale increase the risk of stroke?** Iranian Journal of Neurology 2012
- 5- **The effect of methylprednisolone injection at cervical trigger points in chronic as well as drug resistant headaches** *Phys Med Rehab & Electrodiagnosis* 2019
- 6- **Can the Positional Release Technique Affect Central Sensitization in Patients With Chronic Tension-Type Headache? A Randomized Clinical Trial** Archives of Physical Medicine and Rehabilitation 2020
- 7- **Fourteen Years of Experience of Liver Transplantation for Wilson's Disease; a Report on 107 Cases from Shiraz, Iran** plos one journal 2016
- 8- **The Epidemiologic, Clinical and Laboratory Findings of Patients with Myasthenia Gravis in Southern Iran** *gallen journal of medicine* 2012
- 9- **Efficacy of Anise (*Pimpinella anisum* L.) oil for migraine headache: A pilot randomized placebo-controlled clinical trial** Journal of Ethnopharmacology 2019
- 10- **Elevated IL-38 Serum Levels in Newly Diagnosed Multiple Sclerosis and Systemic Sclerosis Patients** Med Princ Pract 2020
- 10- **Multiple sclerosis diagnosis delay and its associated factors among Iranian patients : clinical neurology and neurosurgery** 2020
- 11- **Altered Serum Cytokine Profiles in Relapse Phase of Relapsing-Remitting Multiple Sclerosis :** Iranian journal of immunology 2016

- 12-Reasons for uncontrolled seizures in adults; the impact of pseudointractability** :seizure 2012
- 13- Large-vessel stenosis in the patients with ischemic stroke in Iran: Prevalence, pattern, and risk factors:**  
journal of vascular and interventional neurology
- 14-The Prevalence and Factors Contributing to Hemodynamic Depression in Patients Undergoing Carotid Angioplasty and Stenting:** journal of vascular and interventional neurology
- 15- Demographic and Technical Risk Factors of 30-Day Stroke, Myocardial Infarction, and/or Death in Standard- and High-Risk Patients Who Underwent Carotid Angioplasty and Stenting:** interventional neurology
- 16- Tension Type Headache treated by Positional Release Therapy: A case report:** manual therapy
- 17- Cerebral Venous Sinus Thrombosis Associated with COVID-19: A Case Series and Literature Review:** neurology
- 18- The Epidemiologic, Clinical and Laboratory Findings of Patients with guillaine –barre-syndrome in Southern Iran** *gallen journal of medicine 2012*
- 19-use and cost of beta- interferons in Fars province MS patients :** *hakim journal*
- 20- 18-year temporal trend and five-year projection of multiple sclerosis in southern Iran:**  
Multiple Sclerosis and Related Disorders

Congress:

Attendance in ENS, WCN,ECTRIMS,MENACTRIMS

## **PROFESSIONAL MEMBERSHIPS**

- **Member of Iranian society of neurology of Iran.**
- **Member of European society of neurology**

## ***LANGUAGES***

Proficiency in English, Farsi

## ***PERSONAL LIFESTYLE***

I am a hard working, peace loving and straightforward person. Adult neurology to me is a beautiful and colourful world. My strength lies in my ability to seek my aims with determination and sincerity.
