

In The Name Of GOD

Curriculum Vitae

Majid Farvardin, M.D.

Date of birth: 1963 December 13

Tel: +98 -7136279373

Place of birth: Iran

fax: +98-7132302830

Nationality: Iranian

Email: majedfarvardin@yahoo.com

Civil status: Married

farvardi@sums.ac.ir

CURRENT POSITION

- ❖ Professor of Ophthalmology, Shiraz University of Medical Sciences, Shiraz, Iran.

EDUCATION

• 1977-1981	Shiraz University Touhid High School, Shiraz, Iran.
• 1892-1989	Medical Student, School of Medicine, Shiraz University of Medical Sciences, Shiraz, Iran
• 1989-1993	Resident of Ophthalmology, Department of Ophthalmology, Shiraz University of Medical Sciences, Shiraz, Iran
• 1993-1995	Fellowship in Pediatric Ophthalmology and Strabismus, Department of Ophthalmology, Shiraz University of Medical Sciences, Shiraz, Iran

EXPERIENCE AND POSITIONS

2009 - Present	Full professor of Ophthalmology, Shiraz University of Medical Sciences, Shiraz, Iran.
2003- 2009	Associate professor of Ophthalmology, Shiraz University of Medical Sciences, Shiraz, Iran
1994- 2003	Assistant professor of Ophthalmology, Shiraz University of Medical Sciences, Shiraz, Iran

PUBLICATIONS

Theses

Medical Doctor, 1989

Immunologic aspects of ocular disorders

Ophthalmology specialty, 1993

Correlation between axial length corneal power corneal diameter and state of refraction in a sample of Shiraz population

Thesis with ophthalmology residents and medical students

❖ 2016	Evaluation of results of simultaneous cataract surgery and IOL insertion in children less than 6 years old in Shiraz hospitals, from 2001 to 2011	Atighechian M Ophthalmology resident
❖ 2015	A Study of consanguineous marriage as risk factor for developing comitant strabismus	Bagheri M Ophthalmology resident
❖ 2011	Combined resection and anterior transposition of the inferior oblique muscle for treatment of unilateral superior oblique palsy with 20-25 prism diopter hypertropia in primary position	Pakdel S Ophthalmology resident

❖ 2010	The correlation of age related macular degeneration and Glutathione S- Transferase M1 (GSTM1) enzyme polymorphism in Fars population	Gholampoor AR Ophthalmology resident
❖ 2008	Evaluation of results of bilateral medial rectus recession in treatment of patients with Duane's syndrome esotropia	Ashrafzade A Medical student
❖ 2008	Evaluation of results of bilateral lateral rectus recession in treatment of patients with Duane's syndrome exotropia	Saadat A Medical student
❖ 2006	Evaluation of epidemiologic aspects, clinical features and treatment outcome in congenital exotropic patients referring to ophthalmic clinics of Shiraz University of Medical Sciences in 1373-1383	Khoshamadi A Ophthalmology resident
❖ 2005	Evaluation of sensitivity of TNO, Titmus and Randot stereo tests for screening of amblyopia in 6-12 years old children	Afarid M Ophthalmology resident
❖ 2004	Comparison of propofol, promethazine and metoclopramide in the prevention of vomiting following Strabismus surgery in the age group of 3-14 years	Mohammadi Sh Anesthesiology resident
❖ 2002	Retrospective review of cases of Duane's retraction syndrome and surgeries performed at Khalili hospital in Shiraz from 1993 to 2001	Mehrabi MM Medical student

❖ 2002	Retrospective review of cases sixth nerve palsy and surgeries performed at Khalili hospital in 1993-2001	Saadat H Medical student
❖ 2002	Retrospective review of Brown's syndrome cases and superior oblique overaction and surgeries performed at Khalili hospital in 1993-2001	Zarei S Medical student
❖ 2002	Comparing the effect of patch therapy alone with levodopa plus patch therapy on visual acuities in children with amblyopia	Behnia M Ophthalmology resident
❖ 2002	Assessing the risk of increased intraocular pressure in pediatric patients receiving inhaled corticosteroids in 2002	Jangjoo O Medical student
❖ 2001	Retrospective review of patient with superior oblique palsy that operated at Khalili hospital, Shiraz, Iran in 1993-2000	Jeddi M and Salah M Medical students
❖ 1999	Evaluating the screening value of Titmus stereotest for detection of amblyopia in 1999	Khajeh F Medical student
❖ 1999	Comparison of refraction status between students and illiterate people in the age group of 20-24 years	Bustanian M and Sadeghi Z Medical students
❖ 1998	Epidemiologic study of eye injuries led to hospitalization in Khalili hospital in 1995	Mehdizade M Ophthalmology resident

❖ 1997	Effect of Levodopa-B on amblyopia.	Mehdizade M Ophthalmology resident
❖ 1997	Superior oblique palsy, causes, diagnosis and treatment	Ansari Asl A Medical student
❖ 1996	Congenital ectopia lentis	Jahankhah A Medical student
❖ 1996	Comprehensive retrospective review of patients with endophthalmitis in Khalili hospital in 1993-1994	Rahimi M and Eshraghi A Medical students
❖ 1996	The effect of anterior transposition of inferior oblique muscle in inferior oblique overaction with and without DVD	Nazarpoor Sh Ophthalmology resident
