

My CV:

Full name: Mohammad Hossein Motazedian

Address: Dept of Parasitology and Mycology,
School of Medicine
Shiraz University of Medical Sciences
Shiraz, P.O.BOX: 71345-1735, I.R.Iran
TEL: +98 711 2305291 Fax: +98 7112305291
E mail: motazedm@sums.ac.ir
Date and place of Birth: 1954, Shiraz, Iran

Educational Background:

1. D.V.M, 1984, from Shiraz University, Shiraz, Iran.
2. Ph.D in Parasitology, Mycology 1989, from School of Public Health, Tehran University of Medical Sciences, Tehran Iran.
3. Certificate in Molecular Diagnosis of infectious diseases, 1994, from Liverpool School of Tropical Medicine, University of Liverpool, UK
- 4-Six months training on Cloning and Sequencing, 2003, in Queensland Institute of Medical Research Center, Brisbane, Australia.
- 5- Eight months (2011-2012) sabbatical duration on Drug development and Bioinformatics in Seattle Biomedical Research Institute, USA

Teaching Experience:

Teaching Parasitology and Mycology to undergraduate, postgraduate students such as:
(Medical, Dentistry, Pharmacy, Para clinical, Nursery, Nutrition, MSc and PhD)

Academic and professional experience

Professor of Parasitology, Mycology Department from 2006

Head of Department from 2006 till 2010 and from 2016 till now

Registrar of Admission and Record Office, Shiraz University of Medical Sciences. From 1990-1993

Assistance educational of Department of Parasitology, Mycology for Four Years (2004-2008)

Member of Editorial Board of Iranian Veterinary Research Journal for three years (2005-2008)

Members of Editorial Board of integration in basic medical sciences of Shiraz School of Medicine from may 2009 till now

Members of Editorial Board of Postgraduate of Shiraz University of Medical Sciences from 2008 till 2010 and 2013 till now

Director of Research center for Parasitology, Mycology from 2008 till 2010

Director of Laboratory Scientists Association of Fars Province of Iran from June 2008 till now

Member of Medical Council, IR. Iran from 17years ago

Director of Academic Staff Association of Shiraz University of Medical Sciences from 2005 till now.

Laboratory and Research Experience:

- 1-Diagnosis and Identification of parasitic diseases
- 2-application of Molecular methods such as PCR, RFLP-PCR and Real Time for Diagnosis and gene amplification in Protozoan diseases especially Leishmaniasis, Amoebiasis, Giardiasis, toxoplasmosis and Malaria
- 3-Studies on genomic diversity among Leishmania parasites.
- 4-Search on Iran Traditional Medicine for treatment of Mycosis, Giardiasis and Leishmaniasis
- 5-Studies on Genomic characterization of Leishmania parasites
- 6-Research on mechanisms of drug resistance in leishmania parasites.
- 7-Study on leishmania genome using Next Generation Sequencing

Publication:

Book: Gholamreza Hatam GHR, Ardehali S, Motazedian MH, Sadjjadi SM, Fakoorziba MR. The methods of isolation and characterization of Leishmania parasites. 2006. published by Shiraz University of Medical Sciences.
