Presentation

Oral:

- A neglected cause of fever in the fever with Unknown origin. The 2nd Annual Congress of Iranian Pediatric Infectious Diseases Society. November 2006. Shiraz, Iran.
- Identification of 2115 bacteria in 13615 blood samples and their resistance patterns in hospitals, Shiraz, 2001-2006. The 1st Congress of Hospital Infection Control. Tehran, Iran. November 2007. Tehran, Iran.
- The rate of Coagulase negative staphylococci in 13615 blood samples in hospitals, Shiraz, 2001-2006. The 1st Congress of Hospital Infection Control. November 2007. Tehran, Iran.

- BCG adenitis. The 18th National Congress on Tuberculosis. October 2007. Sannandaj. Iran.
- Association of respiratory virus infections with disease severity and other risk factors in acute wheezing in hospitalized children, Shiraz, Oct 2006-April 2007. The 2nd Iranian Congress of Clinical Microbiology. October 2008. Shiraz, Iran.
- Neglected diseases. The 2nd Iranian Congress of Clinical Microbiology. October 2008. Shiraz, Iran.
- The global status of Haemophilus influenzae vaccination: necessity in Iran. The 4th Annual Congress of Iranian Pediatric Infectious Diseases Society. December 2008. Tehran, Iran.
- Septic shock in children. Seminar on Pediatric Sepsis. January 2009. Tehran, Iran.
- The Pathogenesis of Brucellosis. The 3rd national Congress on Brucellosis. June 2009. Tehran, Iran.
- Viral etiology of bronchiolitis and infectious asthma among hospitalized children. The 3rd Iranian Congress of Clinical Microbiology. October 2009. Shiraz, Iran.
- Immunopathogenesis of brucellosis. The 3rd Iranian Congress of Clinical Microbiology. October 2009. Shiraz, Iran.
- The Current Challenges in the diagnosis and treatment of typhoid fever. National Congress on Health-oriented Pediatric Medicine. October 2009. Yasooj, Iran.

Poster:

- First Report of visceral leishmaniasis due to *Leishmania tropica* from southern Iran. The 15th Iranian Congress on Infectious disease and Tropical Medicine. December 2006. Tehran, Iran.
- Thick-borne relapsing fever, a neglected cause of fever in Fars Province, Iran. The First Iranian Congress of Clinical Microbiology. May 2007. Shiraz, Iran.

- Disseminated Bacille Calmette-Guerin infection after vaccination. The 2nd Iranian Congress of Clinical Microbiology. October 2008. Shiraz, Iran.
- Intestinal obstruction as initial presentation of Disseminated Bacille Calmette-Guerin infection: a case report. The 2nd Iranian Congress of Clinical Microbiology. October 2008. Shiraz, Iran.
- Enteric fever in hospitalized patients, Shiraz 1381-1387. The 3rd Iranian Congress of Clinical Microbiology. October 2009. Shiraz, Iran.
- A prospective evaluation of the clinical aspects, microbiology, epidemiology and outcome of bactremia in hospitalized patients in Namazee hospital, Shiraz, Iran, Apr 2008-Apr 2009. The 3rd Iranian Congress of Clinical Microbiology. October 2009. Shiraz, Iran.
- Evaluation of hand hygiene technique with alcohol-based formulations among nurses, Fasa 1388. The 3rd Iranian Congress of Clinical Microbiology. October 2009. Shiraz, Iran.
