

CURRICULUM VITAE

Personal Data

Full Name: Amin Abolhasani Foroughi

Birth date: 23/01/1979

Address: Department of Radiology, Nemazee Hospital, Shiraz University of Medical Sciences, Shiraz, Iran.

Telephone: 00987136473122, 0989173001392

Fax: 00987136474329

E-mail: foroughiaa@sums.ac.ir, amin.a.foroughi@gmail.com

University

2015-2016 Interventional radiology fellowship, Shiraz University of Medical Sciences

2006 - 2010 Radiology Resident, Shiraz University of Medical Sciences

1997- 2004 Medical student, Shiraz University of Medical Sciences

High School

1993-1997 Andisheh high school, Shiraz, Iran

Post Graduate Training:

Educational Course of Methods of articles writing for Journals, 2011

Educational Course of Educational Planning and Methods of Research, 2012

Educational course of Methods of Research for university professors, 2012

Educational Course of EBM (Evidence Base Medicine), 2012

Educational Course of Scientific Writing, 2012

Fellowship of Medical Education, Shiraz University of Medical Sciences, 2012

Fellowship of Research level one, Shiraz University of Medical Sciences, 2014

Fellowship of Research level two, Shiraz University of Medical Sciences, 2015

Fellowship of Interventional Radiology, Shiraz University of Medical Sciences, 2015-2016

Certification:

2018 Coronary Artery CT Angiography, Milan

2016 Interventional Radiology Fellowship

2010 Iranian Board of Radiology

2004 M.D.Iran

Work Experience:

2017 – Present time, Associate professor of Radiology, Shiraz University of Medical Sciences

February 2012-2017, Assistant professor of Radiology, Shiraz University of Medical Sciences

September 2011-Present, Radiologist, staff in radiology department, Shiraz University of Medical Sciences

Responsibilities:

Interventional Procedures under guide of Ultrasound, CT and angiography, Oncology imaging, Neuroimaging, Whole body CT Scan, MRI and, Ultrasound (Whole Body, Doppler and Vascular Studies)

Main Duties:

- Boardman of Radiology since 2019
- Teaches relevant courses to under graduate students, Residents
- Prepare, administer and mark examinations, Provide advises to students
- Research activities and act as a referee of scientific publications

Professional Experience:

Collaboration with Radiotherapist, Surgeons and Pathologists for cancer imaging in a joined clinic since 2011

Collaboration with Neurologist for ground rounds since 2013

Collaboration with Internists for ground rounds since 2013

Collaboration with ENT mans for ground rounds since 2014

Membership:

European Society of Interventional Radiology

Iranian Society of Interventional Radiology

Iranian Society of Radiology

European Society of Radiology

Society for Vascular Medicine

Interventional Radiology Community

Radiology Imaging Community

Radiologic Society of North America

Presentations:

Two Oral presentations in Iranian Congress of Radiology 2009

Poster presentation in Iranian Congress of Radiology 2009

Two Oral presentations in Shiraz Radiologic Continuing Medical Education 2010

Two Oral presentations in Shiraz Radiologic Continuing Medical Education 2011

Oral presentation in Shiraz Orthopedic Continuing Medical Education 2011

Two Oral presentations in Shiraz Radiologic Continuing Medical Education 2012

Two Oral presentations in Shiraz Radiologic Continuing Medical Education 2013

Three Oral presentations in Shiraz Radiologic Continuing Medical Education 2014

Three Oral presentations in Shiraz Radiologic Continuing Medical Education 2015

Oral presentation in European Congress of Radiology in 2015

Two oral presentation in Iranian Congress of Radiology in 2015

Two poster presentation in Iranian Congress of Radiology in 2015

Poster presentation in Iranian Congress of Neurology in 2015

One Oral Presentation in Second International Congress of Stroke held in Shiraz 2015

Scientific Member and Member of two panels in Tenth Clinical Oncology Congress in Shiraz 2015

Oral presentation in European Congress of Radiology in 201^٦

Oral presentation in Iranian Congress of Radiology in 201^٦

One Oral presentation and three poster presentations in Iranian Congress of Radiology in 2017

Two Oral presentations in Iranian Congress of Radiology in 2018

Awards:

Silver Medal for Iranian Chemistry Olympiad 1996

Award from Bonyad Melli Nokhbegan 2009

Second place for Oral Scientific presentation in Iranian Congress of Radiology 2009

First place for Oral Scientific presentation in Iranian Congress of Radiology 2017

Second place for Oral Scientific presentation in Iranian Congress of Radiology 2019
