

Dr. Parisa Pishdad's Curriculum Vitae

Date: September 2023

Name: Parisa Pishdad

Date of birth: December 09, 1974

Place of birth: Jackson, Mississippi, USA

Current Address: Department of Radiology, Nemazee Hospital,
Shiraz, Iran

Tel: +98 (713) 647 4329

Cell Phone: +98 (917) 311 3629

Medical School Studies: Shiraz University of Medical Sciences,
Shiraz, Iran

Date of Graduation: September 1999

Degree: Doctorate of Medicine (M.D.)

Post-graduate Traineeship: Radiology and master of public health

Date Certified by National Board of Radiology: September 2004

Honors and Awards:

1. Top resident of radiology, throughout the entire post-graduate traineeship, years 2001-2004.
2. Among the top 3 passing the National Board of Radiology examination of 2004.

Theses:

1. Use of Ethinyl Estradiol to reverse the antiestrogenic effects of Clomiphene citrate in infertile patients. Under supervision of Dr Mohammad Mehdi Arasteh, associate professor of radiology & Dr Mohammad Ebrahim Parsanezhad associate professor of obstetrics and gynecology. 2004.
2. Lipid Levels in type 2 diabetic patients in southern Iran. Under supervision of Dr. Golam Reza Pishdad, associate professor of medicine, Department of Internal Medicine. 1999.

Work shop and Courses:

Educational Course of Evaluation, Shiraz University of Medical Sciences

Educational course of Methods of Research for Academic Faculty, Shiraz University of Medical Sciences

Educational Course in Methods of Scientific writing for Journals, Shiraz University of Medical Sciences

Educational course in Methods of Research for Academic Faculty, Shiraz University of Medical Sciences

Educational Course in infants hip sonography workshop, Tehran University of Medical Sciences

Educational course of professional knowledge Network, Shiraz University of Medical Sciences

Educational Course in Modern Clinical Evaluation, Shiraz University of Medical Sciences

Educational Course in Clinical Education, Shiraz University of Medical Sciences

Educational Course in “Problem Base Learning”, Shiraz University of Medical Sciences

Educational Course in Scientific Writing, Shiraz University of Medical Sciences

Educational Course in medical journalism, Shiraz University of Medical Sciences

Educational Course in Electronic based learning, Shiraz university of Medical Sciences

Teaching Experience:

1. Teaching residents of radiology at Shiraz University of Medical Sciences, Shiraz, Iran since January 2007.
2. Teaching medical students at Shiraz University of Medical Sciences, Shiraz, Iran, since January 2002.
3. Teaching nursing staff and students at Shiraz University of Medical Sciences, Shiraz, Iran, since January 2002.

Work and Professional Activities:

- Staff Radiologist: Motahari Hospital, Marvdasht/Iran 2004-2006.
- Associate Professor of Radiology, Radiology department, Shiraz University of Medical Sciences.
- Faculty member of Shiraz University of Medical Sciences since 2007.
- Deputy of Research, Radiology Department, Shiraz University of Medical Sciences since 2007.
- Member of Editorial Board, Iranian Journal of Medical Science since 2007.
- Membership of Committee for Evaluation and Approval of Thesis, Deputy of Research, Shiraz University of Medical Sciences.

- Member of Medical Imaging Research Center, Shiraz University of Medical Sciences.
- Member of Iranian Society of Radiology since January 2004.
- Member of European Society of Radiology since January 2008.
- Director of radiology department web site since 2009.
- Director of physical health of radiology department 2012.
- Director of Educational Programing, Radiology department, Shiraz University of Medical Sciences since 2014.
- Director of Radiology center of Chamran Hospital 2016-2018.
- Consultant in legal radiology cases at Shiraz medical council.
- Member of clinical guidelines committee 2018.
- Deputy Chair of Education, Radiology Department, Shiraz University of Medical Sciences since 2018.
- Member of Editorial system of Journal of Biomedical Physics and Engineering since 2020.

Presentations:

1. Breast cancers subtype, what the radiologists need to know. McCormick Place; Chicago 2022-EE-3846-RSNA
2. Ultrasound of the post-thyroidectomy neck in well differentiated thyroid cancer; pearls and pitfalls. McCormick Place; Chicago 2022-EE-5769-RSNA
3. Idiopathic Granulomatous Mastitis; Proposing an Ultrasound Scoring System for Evaluating Severity and Monitoring Treatment. Vienna ECR 2022-07-16. C-10366
4. Post operative axillary lymph node staging by breast expert vs general radiologist: area for improvement. Vienna ECR 2022-07-16
5. Malignant lesions characterized as BI-RADS 4A in ultrasound, a subtype analysis. Vienna ECR 2022-07-15
6. Diagnostic value Doppler sonographic findings in neonatal hypoxic ischemic brain damage. IJR-2017
7. Use of ethinyl estradiol to reserve the antiestrogenic effects of clomiphene citrate in infertile patients. International congress of radiology Feb 2012
8. Cardiac metastasis of choriocarcinoma. A case report. Annual Meeting of Clinical Oncology Tehran-Jan 2011
9. Pituitary carcinoma in a 21 years old man. 12th international congress of pathology Nov 2010
10. Diffuse large B-cell lymphoma of maxilla. A case report. International congress of clinical oncology December 2010
11. The prevalence of and risk factors for asymptomatic bacteriuria in women type 2 Diabetes. Renal disease and Hypertension 17 International Congress of Geographic Medicine Nov 22_23 2004.

12. A lower efficacy of Sildenafil in erectile dysfunction of Iranian diabetic man. Renal disease and Hypertension 17 International Congress of geographic medicine. Nov 23-25 2004.
13. Role of imaging in pulmonary tuberculosis. December, 2005, congress of Iranian Medical Doctors, Marvdasht, Iran.
- 14.
